*Luxury and*  
Performance

## Lincoln Mark VIII L

Lincoln—*what a luxury car should be*—offers a special edition Luxury Sport Coupe, the Mark VIII LSC. The LSC is packaged specifically for the discriminating buyer who wants to step out with crisp, sleek aerodynamic styling and spirited performance, but with all the comfort and convenience of a luxury vehicle.

You will truly climb away from other high performance luxury vehicles. The Mark VIII LSC drivetrain sports the dynamic 290-HP 32-valve InTech™ V8 engine, a high-response 4-speed automatic

## LSC (Luxury Sport Coupe)

electronic overdrive transmission, and a quick 3.27:1 axle. Take off from 0 to 60 in a very agile 7.6 seconds, while being thrust back in full comfort against the 4-way head restraints and supple 6-way power driver and passenger Euro perforated leather seating surfaces...with perfect posture from the powered lumbar support. It's all yours in the luxurious Burl Walnut wood-accented LSC cockpit.

And feast your eyes on the exciting Directional Wheels. Combined with jet-slippery aerodynamic Mark VIII styling, the LSC wheels speak a language that only performance enthusiasts understand...FAST...even while standing still.

LSC is equipped with the new standard InTech™ System.

This technologically advanced engine system provides 100,000 mile scheduled tune-up intervals along with other intelligent technologies.

The Mark VIII LSC also sports a domestic industry-first application of the High-Intensity Discharge (HID) headlight system. The next generation HID ionized-gas light bulb provides greater illumination, with a bluish-glow and will last longer than standard halogen headlights.

The total look and feel of the Mark VIII LSC special edition surely will mark you as a leader, ready for take-off, with an uncompromising flair for personal luxury and performance.
